

Revenue Maximization Group Announces Agreement with Cuero Health System

Boca Raton, FL September 13, 2017- Revenue Maximization Group (RMG), a leading provider of revenue cycle management services nationwide, has announced that Cuero Health System (Cuero) has signed a master services agreement to provide Practice Management and Revenue Cycle management services. Cuero Health System owns and operates, among other entities, the Cuero Family Clinics including Cuero Medical Clinic, Parkside Family Clinic, Goliad Family Practice, Kenedy Family Practice, and Yorktown Medical Clinic.

“Cuero was looking for qualified Revenue Cycle and Practice Management specialists to provide resources to manage clinic operations, optimize central business office functions, improve cash flow and reduce Accounts Receivable. RMG fit the role for a long-term partner for Cuero,” commented Lynn Falcone, CEO of Cuero. ““It is a very exciting and dynamic project”, commented Stuart Miller, President & CEO of RMG. Cuero Health System is a tremendous organization and a regional resource. We are confident that by implementing the RMG tool set we can improve operations and cashflow.”

Cuero has partnered with RMG to improve workflows assist with maximizing overall medical billing collections, and to improve clinic operations. RMG’s team of professionals will work together with Cuero leadership and physicians to strengthen this significant community asset and bolster the Cuero Family Clinic’s operating results.

About Cuero: Cuero is dedicated to leading the effort to provide exceptional healthcare and patient experience to the city of Cuero and greater Dewitt area. Cuero Hospital Foundation and Burns Hospital consolidated in 1970, culminating the opening of a new facility, Cuero Community Hospital. With a continued emphasis on progressive health care, CCH has expanded over the years to accommodate the changing needs of patients and the rapid advancement of medical technology. In February of 2017, Cuero Community Hospital became Cuero Regional Hospital as part of the Cuero Health System that now encompasses, Cuero Regional Hospital, Cuero Medical Clinic (including Bohman), Parkside Family Clinic, Goliad Family Practice, Kenedy Family Practice, Yorktown Medical Clinic, Cuero Home Health and Bfit Wellness Center.
